SOLVE THE CLUES ... TAKE A RISK BECOME A SLEUTH ... EXPECT A TWIST!

Everyone loves a 'WHODUNIT' mystery to solve ... don't they? Including kids!

In this book there are eight MINI WORLD MYSTERIES. They are all different worlds ... different scenarios, yet they all follow the same line of approach of outline, clues, questions and solutions.

Some of them will keep you guessing right till the end, others you will discover fall into place along the way.

Remember the song: *'If you go down in the woods today, You're sure of a big surprise ... If you go down in the woods today, You'd better not go alone.'* *

Well, get ready to be surprised ... and make sure you have some friends with you.

* Yes, there is even a Teddy Bears' Picnic Mystery!
